Agenda

- Main Taxes
 - Income Tax
 - Value Added Tax
 - Others
- DTTs and TIEAs
- FATCA (IGA) and CRS
- Choice of Vehicles

Income Tax - General

- Federal tax, no local income taxes
- Worldwide basis of taxation
- Corporate rate: 30%
- Individual Rate: 35% (highest marginal rate)
- Dividends: 10%
- NOLs: Carryforward 10 years, no carryback

Income Tax - Dividends

- Enacted in 2014
- Entities must maintain two accounts:
 - CUCA (Paid-in capital)
 - CUFIN (After tax retained earnings)
- Dividends subject to 10% withholding:
 - Profit distributions
 - Capital reductions
 - Deemed dividends
- When paid to nonresidents, or to individuals
- Effective Rate: 42%
- Dividends not from CUFIN are grossed up

Income Tax – Gift & Succession

- No transfer taxes in Mexico (yet!)
- Gifts and Inheritances generally treated as income
- Nontaxable income if from close relatives
- Must be disclosed to remain nontaxable
- Carryover basis on transfers in kind
- Transfers of Mexican shares and real estate to nonresidents by inheritance are not exempt (25% tax on FMV, basis is stepped up)

Residence Rules - Individuals

- When their place of abode is in Mexico
- If they have a place of abode in other jurisdictions in addition to Mexico: if their center of vital interests is in Mexico:
 - If more than 50% of their income (on a calendar year basis) is from Mexican sources, or
 - If their principal place of professional activities is in Mexico
- Mexican citizens are presumed to be resident in Mexico

Residence Rules - Entities

- When they establish in Mexico:
 - The principal administration of their affairs, or
 - The effective place of management
- Mexican entities are not presumed to be resident in Mexico

Residence Rules - Leaving

- Notice must be given upon acquiring tax residence elsewhere
- If new residence is in a low tax regime, they will remain tax residents in Mexico for the current and the following three years
 - Except if there is a broad information exchange agreement

Income Tax – CFC

- Anti deferral rules
- Not based on black list of “tax havens”
- Based on “Preferential Tax Regimes” (PTR)
 - Income subject to tax lower than 75% of the tax that would apply in Mexico
 - Income obtained through fiscally transparent entities
- Exceptions:
 - Active business income represents at least 80% of income
 - No effective control over timing of income distributions
- Information Return on:
 - PTR Income
 - Income from “black list” jurisdictions even if not a PTR

Income Tax – Withholding Rates
